The 1979 Highlander is dedicated to the Senior Class in hopes that they will remember the good times at Highland High.

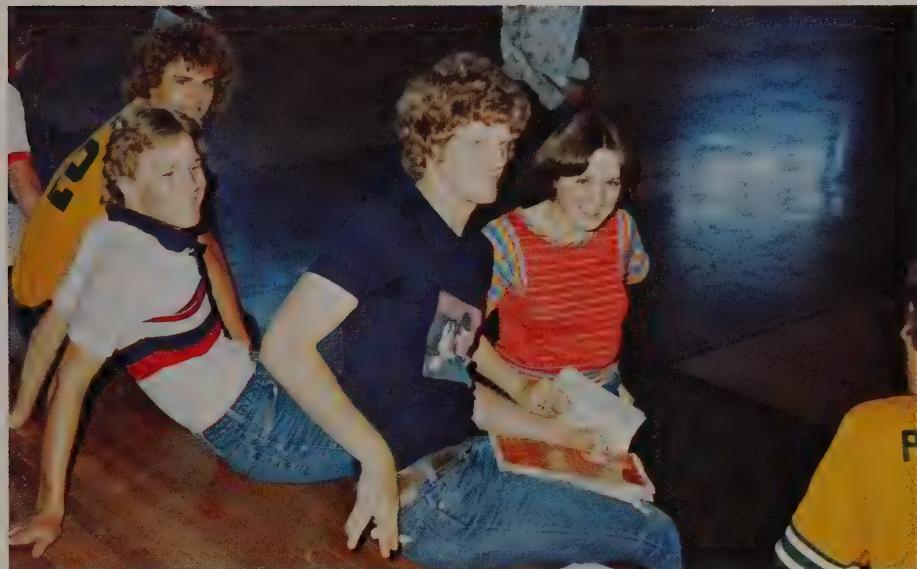

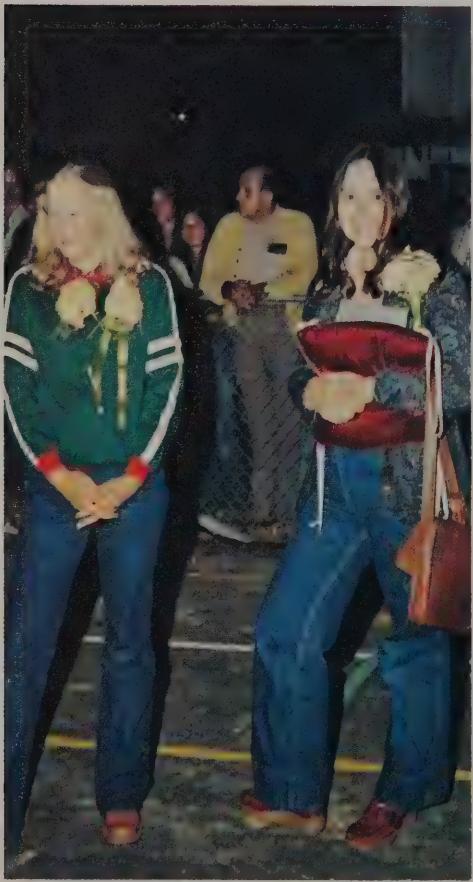

Time  
is  
the  
school  
in  
which  
we  
learn.

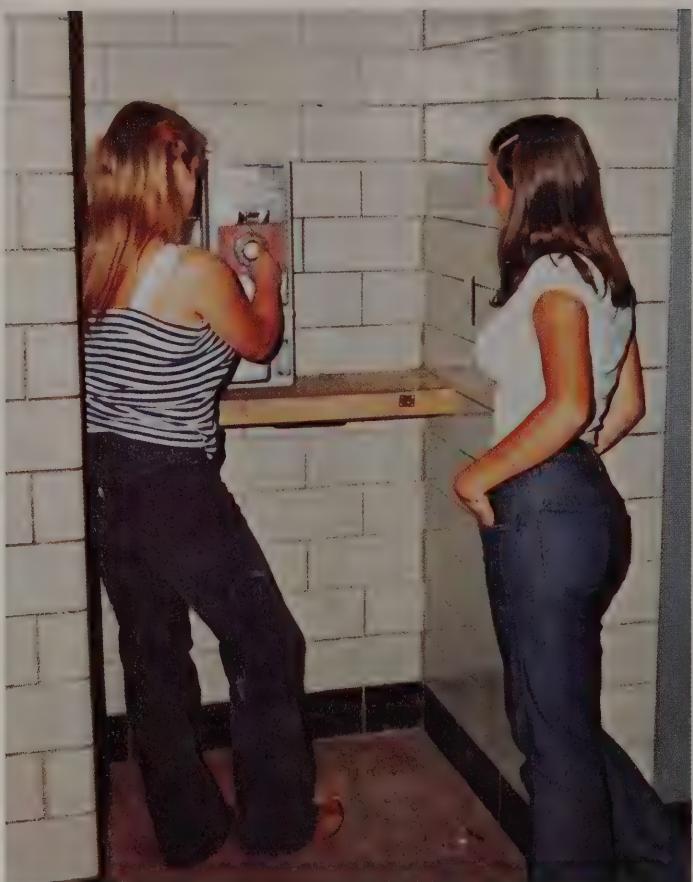

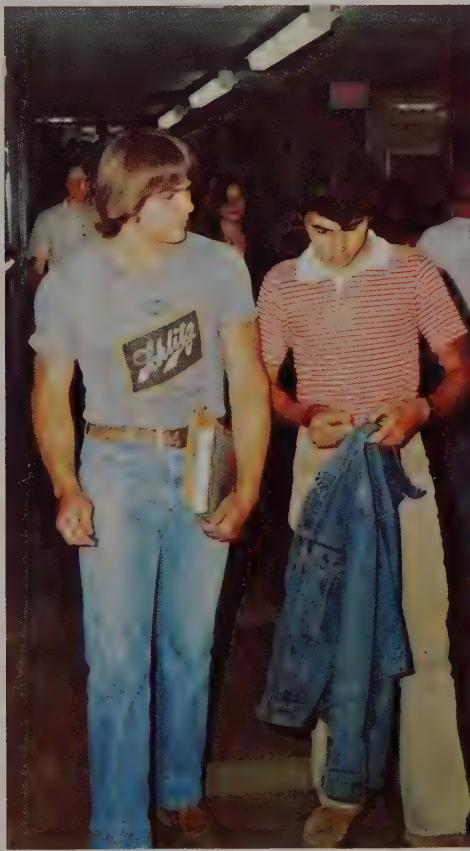

Time  
is  
the  
most  
valuable  
thing  
a  
man  
can  
spend.

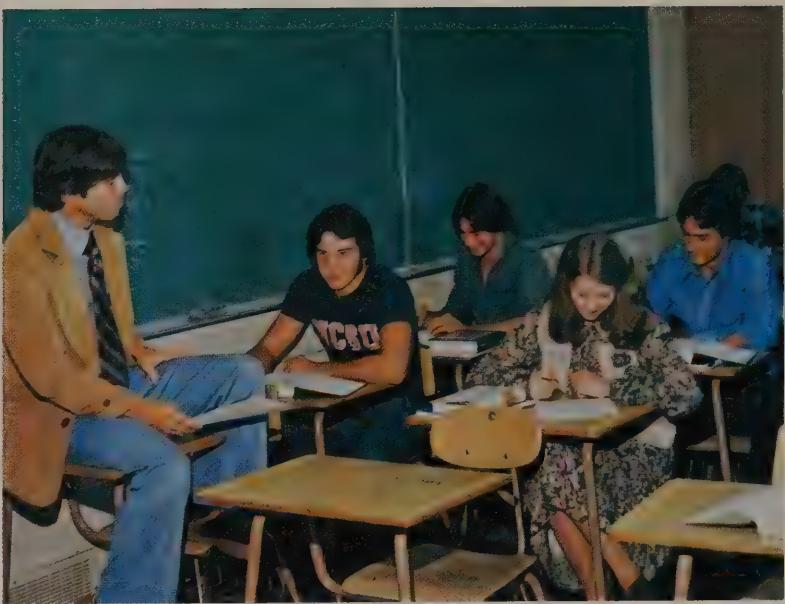

The  
“good  
old  
times” –  
All  
times,  
when  
old,  
are  
good.

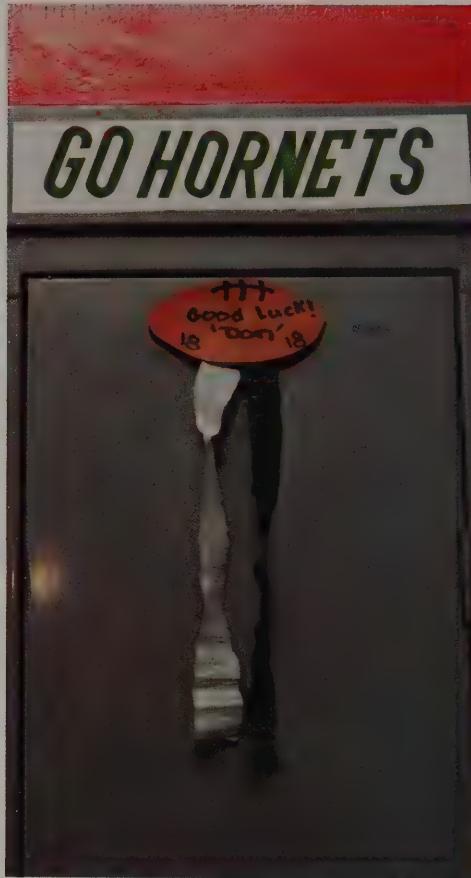

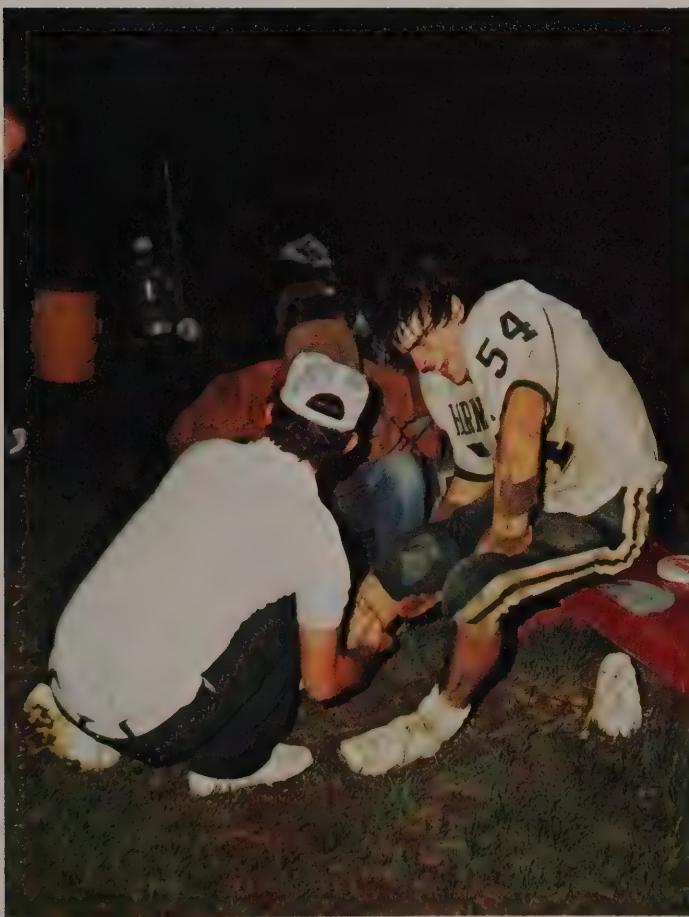

When  
a  
friend  
asks  
there  
is  
no  
tomorrow.

Time  
is  
flying  
never  
to  
return.

We  
must  
always  
have  
old  
memories  
and  
young  
hopes.

## FOOTBALL

New Head Coach Mr. Fletcher was mentor of a disappointing four win and six loss season. This season was a building year for the future. Coach has plans for at least 16 starters to return to action next year. So the future looks very optimistic, though it will be hard to replace those Seniors who are leaving. Anytime you win it is an important victory but Coach felt that the Hoban 19-16 win in the last few seconds was the biggest of the season.

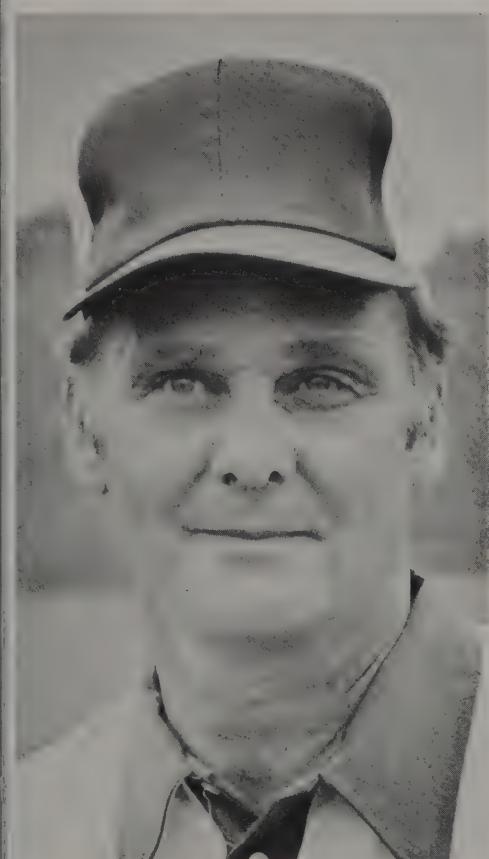

Quarterback Jim Sposet runs to score.

Jeff Miller plunges into enemy territory.

A victory always makes Homecoming sweet.

# HOMECOMING

Couples of all sizes appeared at the dance on Saturday night.

Chris Cecil gives last minute instructions to the crown bearer.

Queen Judy Moson and Senior attendants Deanna Bischof and Pam Sturm watch the rest of the festivities.

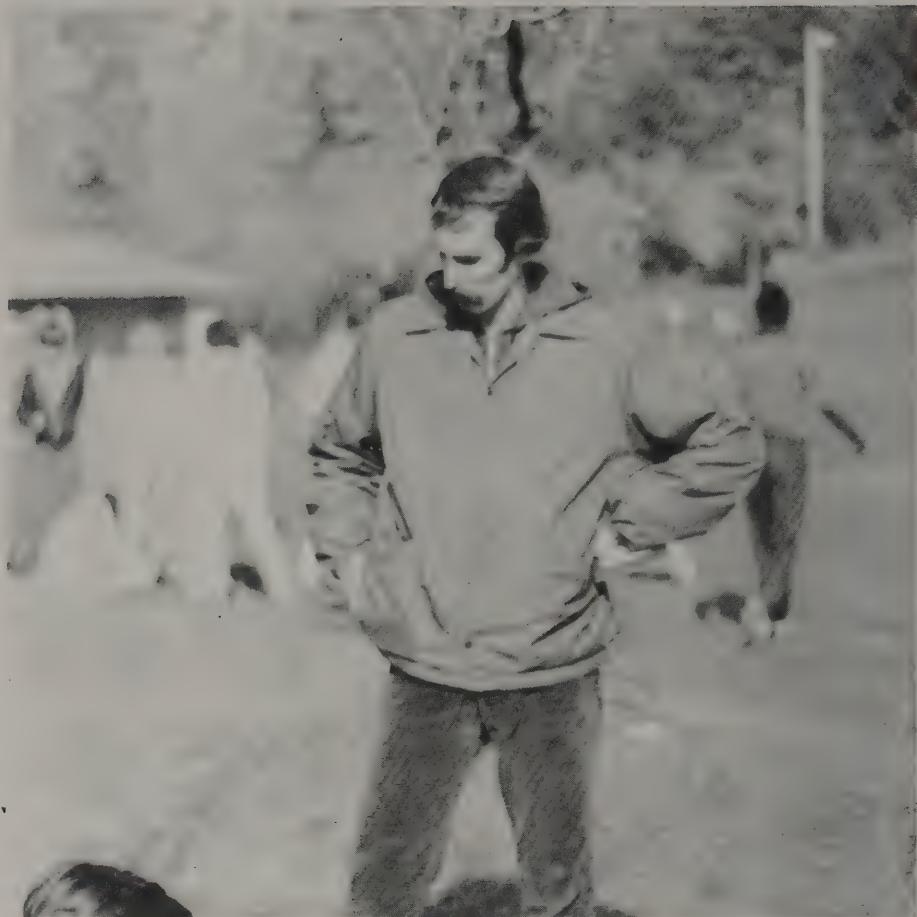

Homecoming 1978 was well attended even though some doubts had been expressed due to the early date necessitated by other previously scheduled fall activities. Even though it came during only the second week of school, students worked hard and once again floats and decorations seemed better than last year's. The theme of old movies was carried throughout the weekend by a cast of hundreds and all who attended had a good time.

The moon shone brightly on Friday night's activities.

# CROSS COUNTRY

This year's Cross Country team was vastly improved over last year. With an overall season record of 4 wins and 3 losses, the team went on to sectionals and placed an impressive third. Mr. Pollock felt that the following team members were outstanding for the team: Joe Victor — most valuable, Jim Gaj — most improved, and the team's first freshman ever to receive a letter — Dan Kulmala. Also very rewarding was the fact that there were six girls on the team. The team also placed well in all the tournaments they entered, 2nd place in the Colt Invitational bringing a trophy to Highland for the first time in this event.

Coach Pollock looks preoccupied during a meet.

On your mark, get set, GO!

Paul Chaffee caught in his warm-ups.

Jim Gaj seems to take this run in stride.

That sure was a long race!

Terry Piar anxiously watching the finish line.

D. Parsons, Mr. Keating, D. Ross. Row 2; R. Rhodes, J. Bash, C. Chimento, M. Dutra.

## GOLF

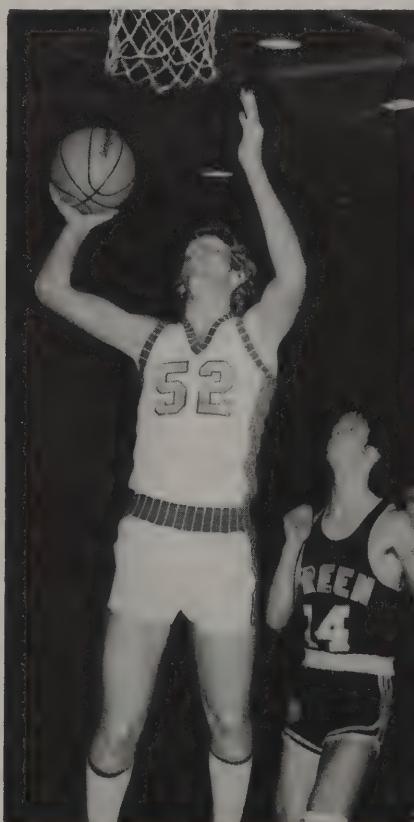

The Golf team at Highland High School is becoming more and more impressive with each year. Team size is increasing and the showing is better and better. Mr. Keating, taking time from his job of athletic director, coached the team this year. A lot of time was put forth for the golf team this season by the boys and we are looking forward to better and better things from them in the future.

## VARSITY H

Varsity H is comprised of a group of students who have received a varsity letter for outstanding achievement in sports or in music. Unfortunately this organization does not become involved enough in the sports routine of our school. The Highlander staff hopes their pride will show a little more in the future.

Darlene sets up for the spike.

# VOLLEYBALL

Darlene Kendel gets ready to help win a point.

Let's get that ball over the net.

Debbie gets ready to help serve the ball.

Coach Bouton looks on from the sideline with an encouraging round of applause.

The 1978-1979 Volleyball team was much improved from last year. The most recognized players were as follows; Most Valuable, Debbie Evans, LuAnn Tsipis; High Scorer - Darlene Dutt; and most improved Kim Eisenhart.

The highlight of their season was defeating Coventry, who had just previously beaten them the week before. Also defeating Hoban, who was undefeated, brought a high point to the season. Coach Bouton was concerned that the team was not very consistent and didn't play up to their highest potential. She also feels that this year's freshman group is very strong and they are sure to improve with age. The team played well and even though there were some very disappointing losses the girl's had a lot of fun.

## CHEERLEADERS

The Cheerleaders began the year with an early start by attending cheerleading camp at Ohio State. Besides cheering for football and basketball games they have raised money through bake sales, car washes and selling programs. They help arrange pep rallies and other school spirited events. In addition to varsity and junior varsity this year we had a freshman squad.

Varsity Cheerleaders; Pam Sturm, Ann Ciphers, Ronda Houska. Missing are; Sue Rady and Vickie Kurnot.

Ann and Judy sell balloons during balloon night.

## VARSITY BASKETBALL

This year's varsity basketball squad set for itself three major goals. Those were to, a) win more games than last year, b) finish in the top four in the league, and c) to win a tournament game. As this book went to press, the team was well on its way to achieving those goals. They were in fourth place, they had improved last year's record, and all that remained was to win a tournament game. The team was much improved over last year and better things are expected for next year.

Three for the ball.

Sophomore Bruce Sposet is an "ace scorer" for Highland's team.

## J.V. AND FRESHMAN BASKETBALL

Junior Varsity's top players were Todd Bischof, Pat McDuffee, John Gresock, Dave Crouch and Bill Dietz. Coach Warmbrodt brought this year's Junior Varsity to several wins, but we still didn't have a perfect record.

This year's Freshman team gave much excitement to the crowds that came to watch. There were overtime games, laughers and a win at the buzzer. Probably one of the greatest comebacks in basketball history occurred against Copley when the Frosh outscored a great opponent 17-2 in the final quarter only to come up short, in a heart-breaking 36-32 defeat. Not wanting to elaborate on losses and wins, Couch Gourley confesses that the key to the whole season was improvement. You will see some great things out of these Freshmen in the future.

"Come on, get your hand out of my way!"

"Maybe I can stop him this way."

The Frosh Team: Row 1; S. Finn, J. Hanson, W. Crabtree, R. Cecil. Row 2; D. Wind, R. Sheneman, W. Taylor, D. Carmany. Row 3; T. Ramey, S. Gorman, J. Zelinski, W. Carsten. Row 4; J. DeVaughn, D. Queen, K. Finowski.

This block shot looks like a foul.

A score for the Hornets!

## WRESTLING

This year's wrestling team is as strong as ever. Coach Florian was in a very enviable position being the only undefeated coach in the County and the league for much of the season. The string of wins was broken late in the season when we came head to head with the very strong Coventry team. Three of the returning team members had had State Tournament wrestling experience; Mike Ciammaichella, Dan May and Chris Riehm. Current predictions has a very strong team of eight wrestlers going to the State Tournament in Columbus in March.

These eight are wished the best of luck and we hope they return victorious.

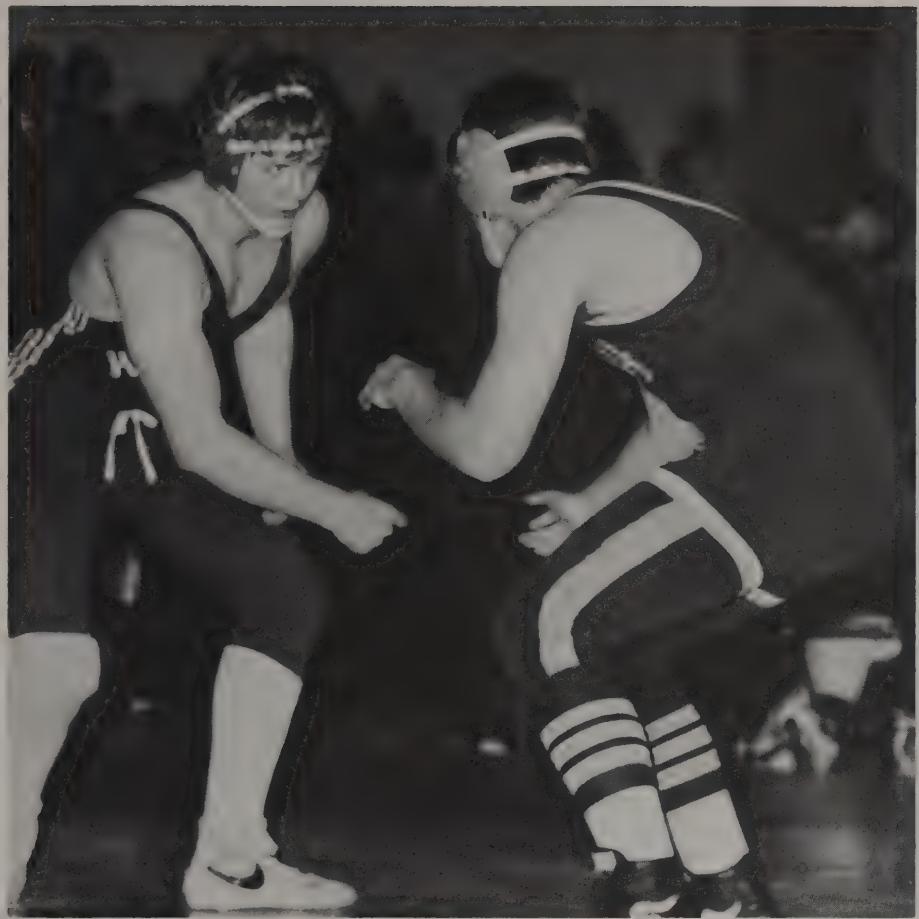

Clark leaves the mat, undefeated but tired.

Coach Florian, pensive and tense.

## BASKETBALL

This years girl's basketball team saw some major changes, since many seniors left. The girl's kept alive a home win streak through most of the season and all were pleased that the season went as it did. The coaches stressed improvement and were well rewarded by outstanding efforts from many girls. It is hoped that the future years can continue the success started by these girls. The girls went all the way to Bowling Green in the districts. Next year — STATE!

## M.C.J.V.S.

The Medina County Joint Vocational School serves upper class students from all four Local County School Systems - Highland, Cloverleaf, Buckeye and Black River. A wide variety of courses are offered to our students. Many of the programs are two year programs though there are a few one year programs. Students first become acquainted with the School located on the outskirts of Medina City during their sophomore school year. A visitation day is held during the winter so that all students who might be interested have ample time in which to make up their minds as to the programs they wish to enroll in. Some students go to the Joint Vocational School and decide it is not for them. Courses offered range from Animal Husbandry to Child Care.

**SUPPORT YOUR SCHOOL  
SUPPORT YOUR TEAM**

## LITTLE SIS

Little Sis is an organization that supports the Highland Wrestlers. They attend most of the matches and sponsor one of the boys. They do small things for the boys throughout the season. The most obvious thing that can be seen is the decorating of lockers. Each week throughout the season the boys get new things on their lockers, as shown at left by this Valentine's Day locker. The club also had several sales to add to their treasury and support the team ...

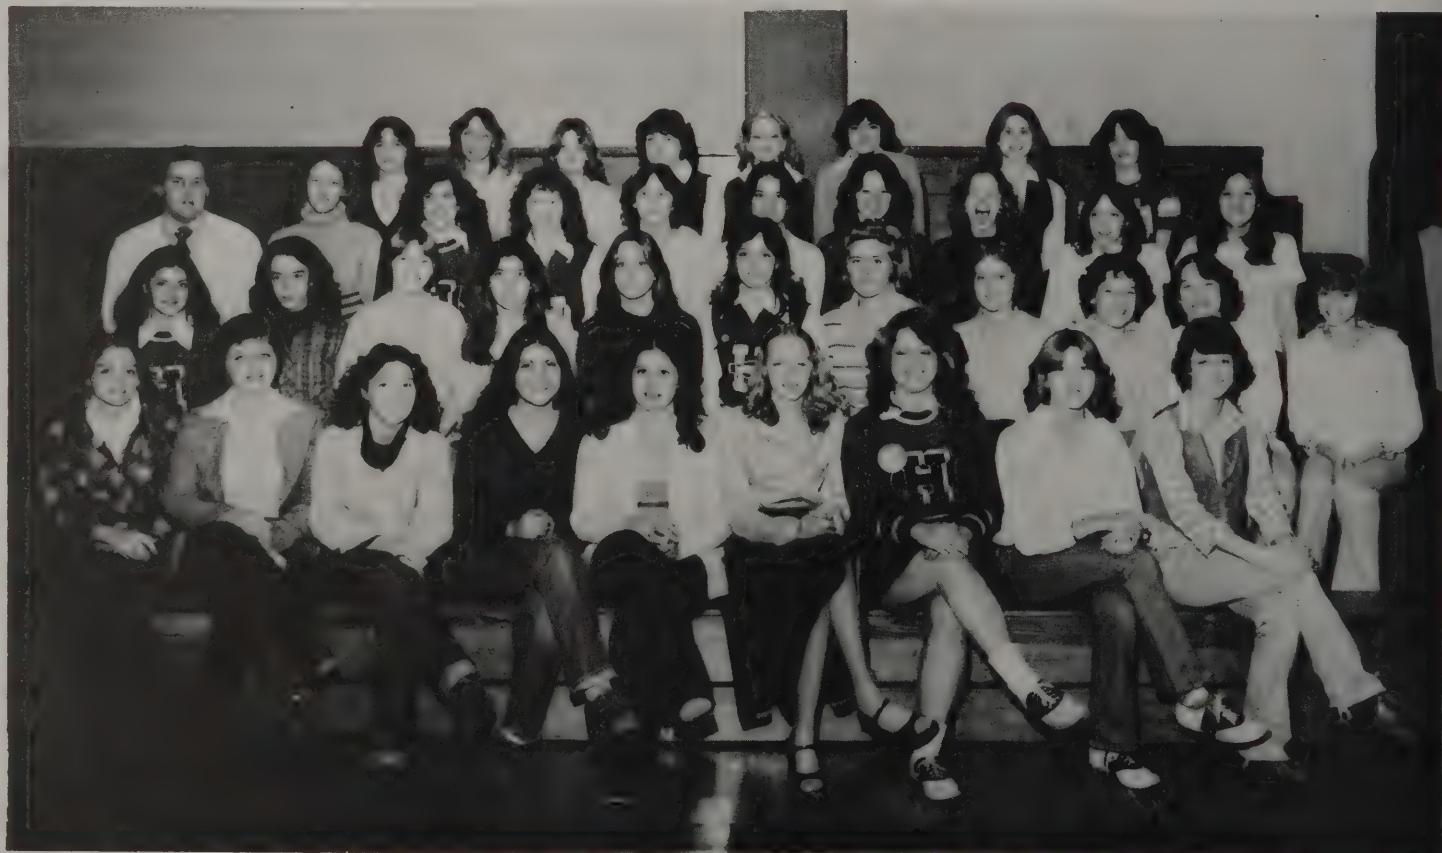

# TEAMBACKERS KEY CLUB

Teambackers, a fairly new club, supported all of our teams this year. They sold Sloppy Joes and hotdogs during the lunch mods and placed their money aside for future use. They also contributed to the athletic department by buying supplies that were needed.

tion, is the junior club of the Kiwanas. Their goal is to provide needed services to the school as well as to the community. Their advisor is Mr. Temple. It is hoped that as the years go by, we will see more and more of these two groups. Their support to our school and our community do not go unnoticed.

Teambacker Officers: Vice President, M. Simmons; President, C. Cecil; Treasurer, L. Tsipis; and Secretary, T. Holland.

## GERMAN CLUB LATIN CLUB

The German and Latin Clubs at Highland are becoming more and more active with each year. This year's Latin Club, with advisor Mr. Latina, has raised money for various group projects. Both clubs plan to work hard for International Day, which has become a traditional event.

The German Club, with Fr'Ott as advisor, has several events in mind for this year. The Club sold Hummel calendars for the first time in order to raise money for classroom materials as well as the annual Spring trip to the 'Hofbrauhaus' for dinner. The room was also painted this year, with the colors of the flag now seen on the back wall.

Spanish Club 1978-1979

## SPANISH CLUB F.H.H.

Spanish Club is probably the largest and most active of the foreign language clubs. Some activities enjoyed by the club have been parties, going to La Cita for dinner, attending a performance by a flamenco dancer and helping out with Open House.

Membership in the Future Highland Homemakers consists of any student who is taking or has taken home economics, and would like to join. Two major annual activities are the fall father-daughter banquet and the spring mother-daughter banquet. Under the guidance of Mrs. Tramonte and Mrs. Cole the members strive to perfect their homemaking skills.

# HIGHLANDER STAFF

The Highlander has become a book long looked forward to. Until it arrives in the Spring, the staff works hard to meet the deadlines, raise money, and still keep a smile on their faces. A task, which is not as easy as it sounds. With the help of Advisor Fr'Ott, things always seem to run smoothly and get done in time. And of course, it all becomes worthwhile in the Spring when someone sees the book and says, "Good Job!"

Diann Toman totals up the ads sold to determine who was high salesman.

# THE HORNET'S NEST

The Hornet's Nest, "A Stinging Sensation" is a monthly production for the first time this year. The newspaper consists of articles such as: Point-Counter Point; Amazing Man; monthly sports and club updates and a fun page. The success of the paper is due to the help of the Journalism Class; Advisor, Miss Fisher; and Editor Jeff Holland. The staff has worked very hard putting together the newspaper and sponsoring fund-raising events such as bake sales and roller skating parties. The hard work paid off as this year's Hornet's Nest has met with its most success yet ...

The 1978-1979 Hornet's Nest Staff

The staff covers Mr. Wronkovich's appearance at a Student Council meeting.

Miss Fisher edits all articles.

## GUIDANCE OFFICE WORKERS

In their spare time there are those girls who enjoy helping the guidance staff of Mr. Florian, Miss Dybiec and their secretary Mrs. Gangle. The girls answer the phone, file, run errands, get students from study hall to the guidance, and many other odd jobs. The time they take to save wear and tear on the guidance department is greatly appreciated and it is hoped that they continue volunteering their services in the years to come.

"Could one of you please help me???"

Guidance Office Workers

## OFFICE AIDS

Students who work in the main office are chosen by the secretaries, so that they can help with the over abundance of work that needs to be done. They answer the phone, run errands, file notes and generally help out with what needs to be done. Many of the students find that this helps them in getting jobs and gives them some experience for the future.

Athletic office aids assist the Athletic Director, Mr. Keating. He sends them on errands, gives them the honor of escorting college representatives and lets them help out around the office.

Athletic Office Aides — L. Nandrasy, C. Cecil, D. Evans, L. Tsipis, S. Blewitt, D. Boehmerle.

Library Aides — Row 1; J. Foster, K. Osborne, H. Deloric, M. Bohai, Row 2; Mrs. Steinback, C. Campbell, C. Link, H. Ross, Row 3; T. Wasser, K. Edwards, L. West, C. Willard.

## LIBRARY AIDS

Students that work in the library do much more than assist Mrs. Steinback and Mrs. Bohai. They communicate with the student body and let them know about books and other library materials. The library would not have neat shelves, organized magazines and many other things if it weren't for the aides doing what needed to be done. The aides also assist in getting the audio-visual material out to where it is needed.

Pam and Rose Ann take advantage of the materials in the library.

## STUDENT COUNCIL

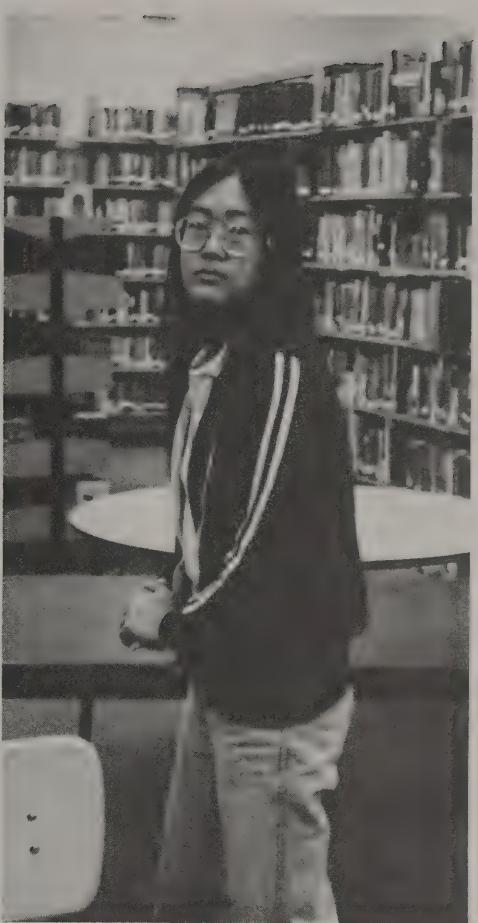

Student Council has done a lot to prove its worthiness this year. With the help of President Chris Cecil and Advisor Miss Dybiec they have spent their time in fund raising as well as attending workshops in order to learn about themselves as well as one another. They have sponsored such activities as rollerskating, singing valentines, donkey basketball, and other sales. We hope that next year's Student Council is as successful and as supportive of their fellow students.

## SKI CLUB

Ski Club was formed at Highland several years ago. It is a very popular activity at Highland High. The more than one hundred members go skiing on Mondays as long as weather conditions permit. This year the club has new advisors; Mr. Claflin, Mr. Nelson, and Miss Sboray. The fees that the members of the group pay, cover ski equipment rental and are valid for the entire winter season as long as they come with the Highland group.

# RACQUETBALL

Racquetball is fast becoming the nation's favorite sport with courts being built all over. Highland has kept up with this spirit with a boy's racquetball club for the past three years. The girl's have started a club this year and we hope they grow in the future. Racquetball requires fitness, endurance and skill in order to have fun. The club has grown this year and show signs of enlarging as the sport becomes more popular with the students.

Jenni Bender, President of Quill and Scroll.

## QUILL AND SCROLL

Quill and Scroll is the National Journalism Honorary. The members gained admittance by hard work on the Yearbook or the Newspaper. They are members of their respective staffs and they are also Juniors and Seniors in the upper third of their class. The organization had its beginning at Highland last year and it is hoped by the advisors that the group will grow in the years to come and that the value of journalism will also become more recognized.

# BAND

The 1978-1979 Highland High School Marching Band was the largest in the schools history. They took part in several area competitions such as the Western Reserve Invitational held in Wadsworth as well as the annual county Band-a-Rama in Brunswick. Mr. Nelson was in general pleased with the band's efforts this year and is looking forward to bigger and better things for next year.

This year also saw the addition of the flag girl line. This drill team carrying the green and white of Highland helped make the marching season a real treat this year. The girls were coached and instructed by Mrs. Florian and all involved are looking forward to some more interesting formations and entertainment for next year.

Senior Band Members: Sitting — D. Fields, L. Shanafelt, E. Petkac, A. Beckwith, M. Robinson, J. Rapenchuk. Standing — M. Landry, D. Weaver, H. Guttermuth, M. Cizmadia, G. VanDuesen, J. Bender, M. Rymer, A. Herold, C. Dietrich, L. Cvanciger, and D. Rak.

## CHOIRS

The Choirs saw major change once again this year with the addition of Mr. Long to the Highland teaching staff. New costumes and tuxedos for the Swing Choir also added to the new look of the Highland Choirs. Once again, after missing the last few years, the choirs performed with the bands in a pre-Christmas assembly. The programs gave all involved a hint of what was to come at the evening concert. The efforts of the choirs were appreciated by student body, faculty, and administration. It is hoped that these programs can be continued in the future.

Choir Officers; seated; B. Berry, L. Nandrasy, J. Moson, Standing; A. Herold, T. Duch, and B. Gorman.

Swing Choir: From Left to Right; J. Moson, B. Berry, A. Herold, P. Bennet, R. Houska, J. Moson, L. Boyle, B. Hausser, B. Burnside, H. Guttermuth, K. Guthrie, J. Vorndran, A. Watkins, C. Willard, L. Cvanciger, and M. Yokum.

Mr. Latina talks with a parent while Jeff Santee looks at our camera.

Our chemistry equipment never looked this good!

"I wonder who brought this hot german potato salad."

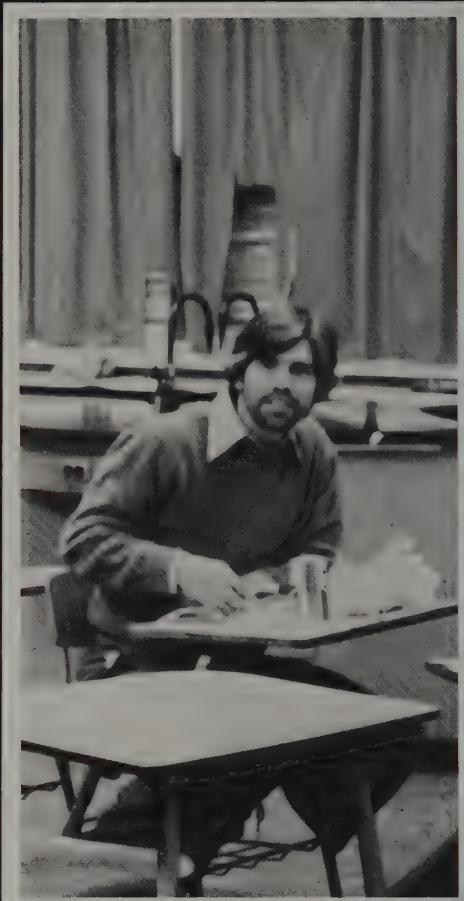

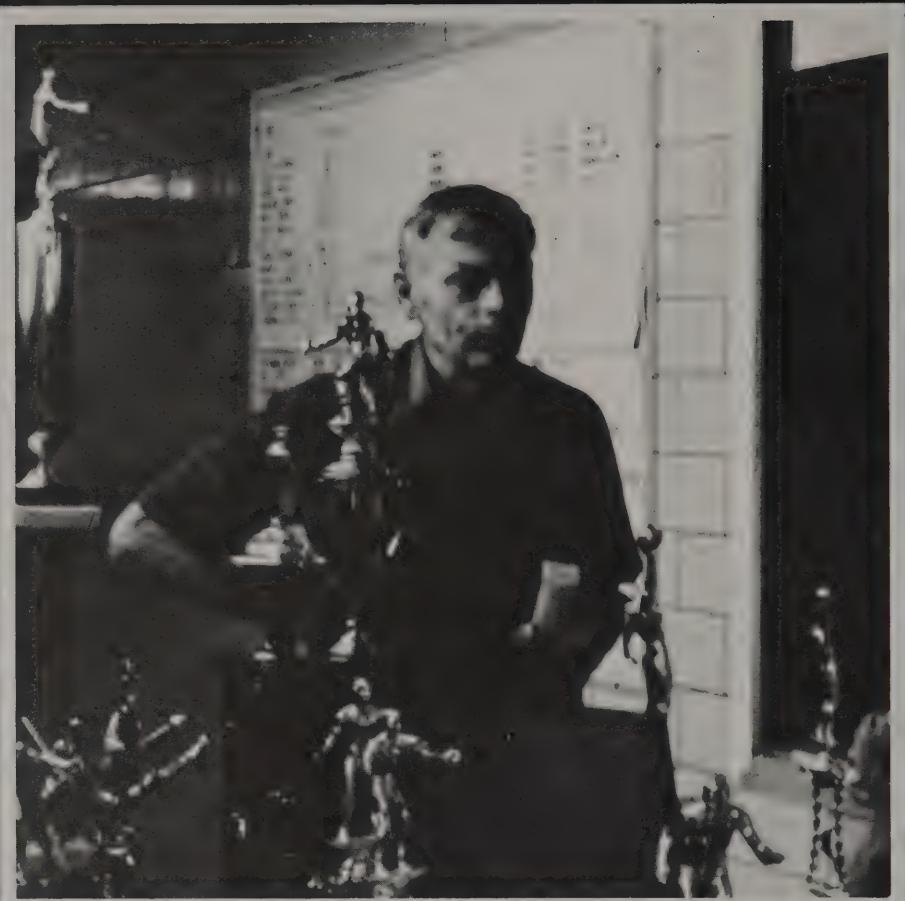

"Baby Brett"

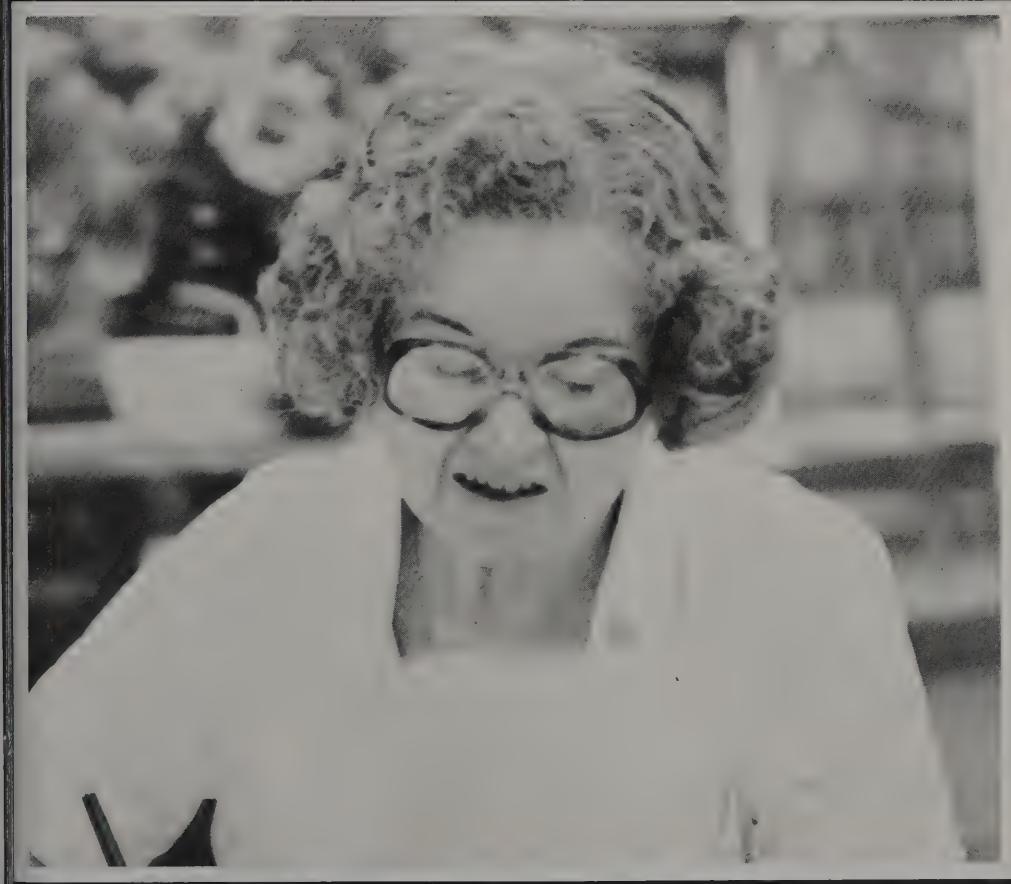

"Should I ... or shouldn't I ... "

## OPEN HOUSE

Open House 1978 was the best attended Open House at Highland. More students than ever took part in presenting to their parents the 'best' of Highland. The available activities ranged from a current events quiz to international foods in the Spanish and German rooms. The English department had several plays and the Science even had a student size model of a cell. This has been such a success for our school that we hope it will continue to be a major fall event.

FACULTY

# ART & MUSIC

The Art Department at the High School saw several changes this year — beginning with a new part-time teacher who was hired. Mrs. Knotts left us at the semester and we wish her the best of luck with her family. Mrs. Melrose was pleased with the art enrollment and it is hoped that the new teacher will be full time in the fall of 1979.

Not to be left out in the acquisition of new staff members, the music department saw the addition of Mr. Long to replace Mrs. Giese. As well as doing some music that had not been done in the past, Mr. Long had the choirs travel and sing for groups in the area. The Swing Choir purchased new costumes. Mr. Long and Mr. Nelson also put together a Christmas program for the entire student body and their efforts were greatly appreciated. It is hoped that this can become an annual event.

Mr. Nelson reviews the score before beginning to direct the band.

Mr. Long pauses before directing the choir for the Christmas program.

Mrs. Melrose preparing to load the kiln.

If Gary Smith doesn't hurry, this rehearsal will never get going.

Coach Fletcher applauds one of his players.

Miss Bouton anxiously watches one of the volleyball games.

Mr. Poetter as he checks the parking lot one morning before school.

## PHYS. ED.

The Health and Phys. Ed departments saw no changes from last year except for the elevation of Mr. Fletcher to the football head coach position, which came after the resignation of Mr. Ring. The classes are looking forward to the new facilities. It is hoped that by next spring(1979) all the building will be completed and the girls and boys gym classes will have expanded areas for their use.

Mrs. Bender seems surprised we are even taking pictures.

Another birthday for Mr. Keating!

## ENGLISH

The English department was changed a great deal this year with three new staff members. Beginning with the new librarian Mrs. Steinback and two additional teachers Mrs. Winkelbauer and Mrs. Long. It is hoped that they are finding Highland a nice place to teach and that the students are the best around. Mrs. Long is teaching speech and drama in the hopes of eventually adding a theatre group to our clubs. Mrs. Winkelbauer has been teaching the Freshman Communication Crafts. Several of the teachers in the department are not pictured here because they also teach in the foreign language.

Miss Fisher works out all the questions for the upcoming test.

Mrs. Winkelbauer pauses to look at our photographer.

Mr. Keating is going to have a long night ahead of him if he is going to grade all those papers by tomorrow.

Mrs. Hege doesn't seem too pleased that we are taking her picture.

Miss Chiaramonte nibbles on some of the Spanish foods brought for Open House.

We caught Mrs. Heath on the way to study hall in the cafeteria.

Mrs. Bohai smiling as always.

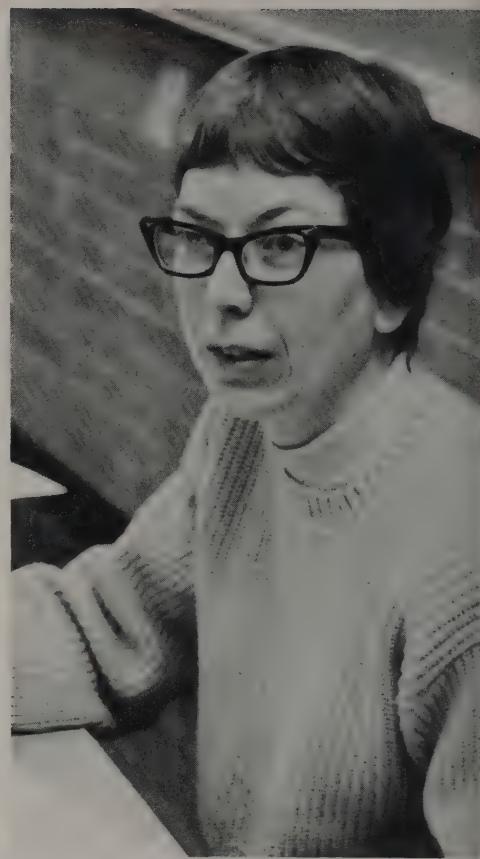

Mrs. Steinback, our new librarian, pauses while checking in books.

# FOREIGN LANGUAGE

The Foreign Language Department is related to the English Department, in that those who learn foreign languages must have a strong background in English. Grammar isn't the only thing taught in foreign language classes however, the history, geography, and cultures are also studied. Highland offers German, Spanish, and Latin.

Miss Chiaramonte trying to warm up.

Mrs. Heath stops to answer a student.

Fr'Ott stops to talk to Shawn Robinette.

Mr. Latina smiles for his mug shot.

We hate study hall too, Mr. Campbell.

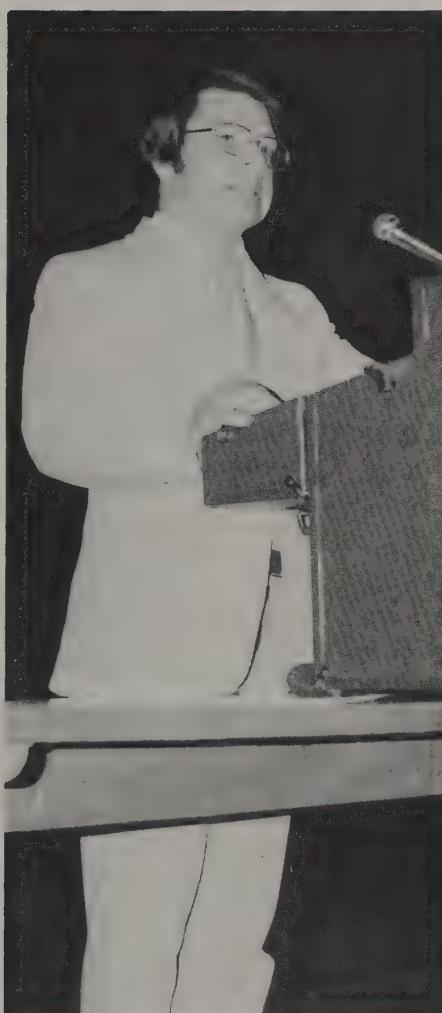

Lecturing is one of Mr. Keck's specialities.

Rookie Gourley looks tough!

Alright you guys, get to study hall!

Did you forget your notes Mr. Sigrist?

## SOCIAL STUDIES

Although the Social Studies Dept. lost Mr. Cutler and Mr. Cranston this year, they gained two new staff members, Mr. Claflin and Mr. Gourley. Another change in the Social Studies Dept. were some new classes; Ancient and Middle Ages, U.S. Expansion, World Geography and Our World in the 1900's. These classes were formed by joining the old nine week courses together in one class. Mr. Sigrist, Mr. Keck, and Mr. Campbell make up the rest of the team and they teach Government, Civics, Current Events, and Sociology.

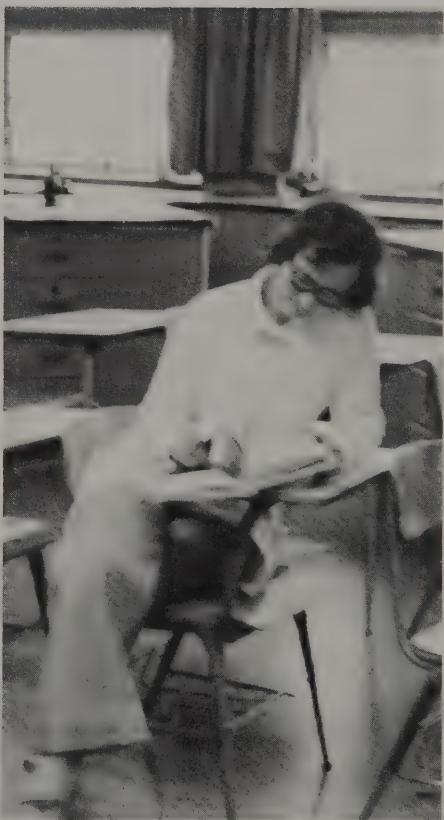

"Hey Mr. Kerns, how's Kernalysis?"

Mr. Pollock on his way to study hall.

## MATHEMATICS

The Math Department at Highland has undergone several changes from last year to this year, in that Mrs. Hazlett has moved from the Science Dept. to the Math, and Mr. Kerns has moved from the Middle School up to the High School. The Math Department has other talents than theorems and proofs, as all of the members in the department also coach some form of extra curricular activities.

Mrs. Hazlett always seems to be reading.

Cheer up Mr. Warmbrodt, it can't be that bad!

Is Mr. Kerns a good student Mr. Temple?

Miss Sboray has been a pleasant addition to the Highland Staff.

Mr. Hostak laughs at our cameraman before homeroom.

Miss Friedstrom discusses evolution in Biology.

## SCIENCE

Taking Mrs. Hazlett's place in the Science Department is Miss Sboray, who teaches Land, Space and Earth Science. Miss Friedstrom, Mr. Hostak, and Mr. Temple comprise the remainder of the Department. In their classes the students have done their share of experimenting and computing. There have also been various field trips, such as NASA, and The Natural History Museum.

## VOCATIONAL

The Vocational Department is one of the largest in our school. Though it is split into the Home Ec., Business, and Industrial Sections, we include all of them in our book. Mrs. Tramonte and Mrs. Cole teach the various areas of Home Economics; Mr. Harmon and Mr. Frontroth handle the Industrial classes, and Mrs. Campbell, Mrs. Ewing and Mrs. Roser comprise the Business Department. Also in our coverage of the Vocational Department of Highland we include the teachers that work in tutorial capacity and work with E.M.R. students. They are Mrs. Thomas and Mrs. Siff who is new this year.

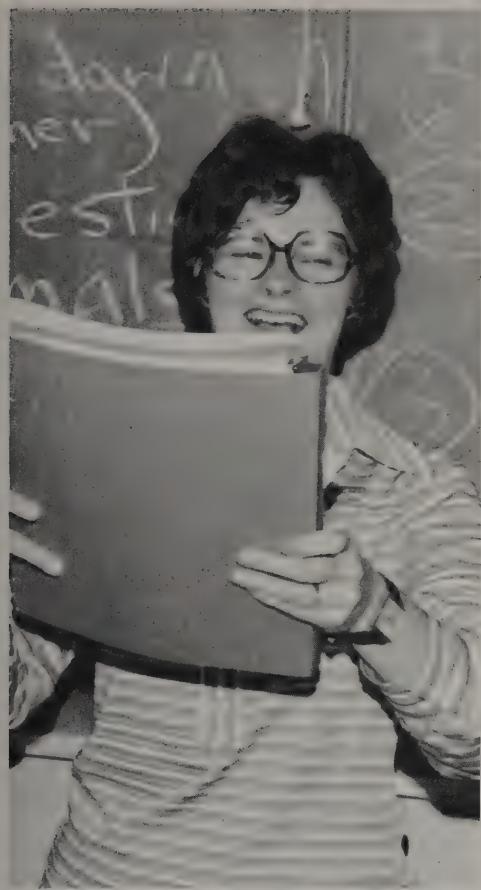

Mr. Frontroth comes over from the Middle School to check his mail.

Mrs. Siff looks up from her work to see who is looking into her 'room', which is a part of the media center.

Mr. Harmon always has a ready smile for our cameras.

Mrs. Ewing seems ready to hide rather to have her picture taken.

Mrs. Campbell dictating to one of her typing classes. "Please don't look at your hands!!!!"

Mrs. Tramonte and Mrs. Cole, Home Ec. teachers discuss cooking the squash.

Mrs. Thomas, pauses during lunch mod duty to wink at our camera.

Principal, Mr. Thomas Brenner

*It can't be that bad Mrs. Kaufman.*

Assistant Principal Mr. Michael Wronkovich.

We caught Mrs. Winter by surprise!

Mrs. Gangle looks up a student's schedule.

Miss Dybiec doesn't seem quite sure this interruption has been worth it.

Can't you see I'm busy!!

## ADMINISTRATION AND GUIDANCE

Mr. Brenner and Mr. Wronkovich are the arm and leg of our school. They are responsible for the overall running of the school, and their secretaries, Mrs. Winter and Mrs. Kaufman manage to get all the little things that mean so much to everyone, done very efficiently. Miss Dybiec and Mr. Florian, with the help of their secretary Mrs. Gangle, help students with their schedules, career choices, college choice and somehow still find time to listen to a students' problems.

# CENTRAL ADMINISTRATION

Foundation is laid for the new addition.

Up we go!

The Administration consists of the School Board, Dr. Cowger, Mr. Baum, and their secretaries. Several new policies were introduced this year. These included afternoon coffees as well as an open door policy on Thursday mornings. The Administration was also responsible for sending out the information newsletters.

Construction difficulties also kept the Administration busy this year. Dr. Cowger himself took over as the head of the operation early this year. Even though the construction posed some problems to all of us, in the long run the new addition will be greatly appreciated by all.

Our new track.

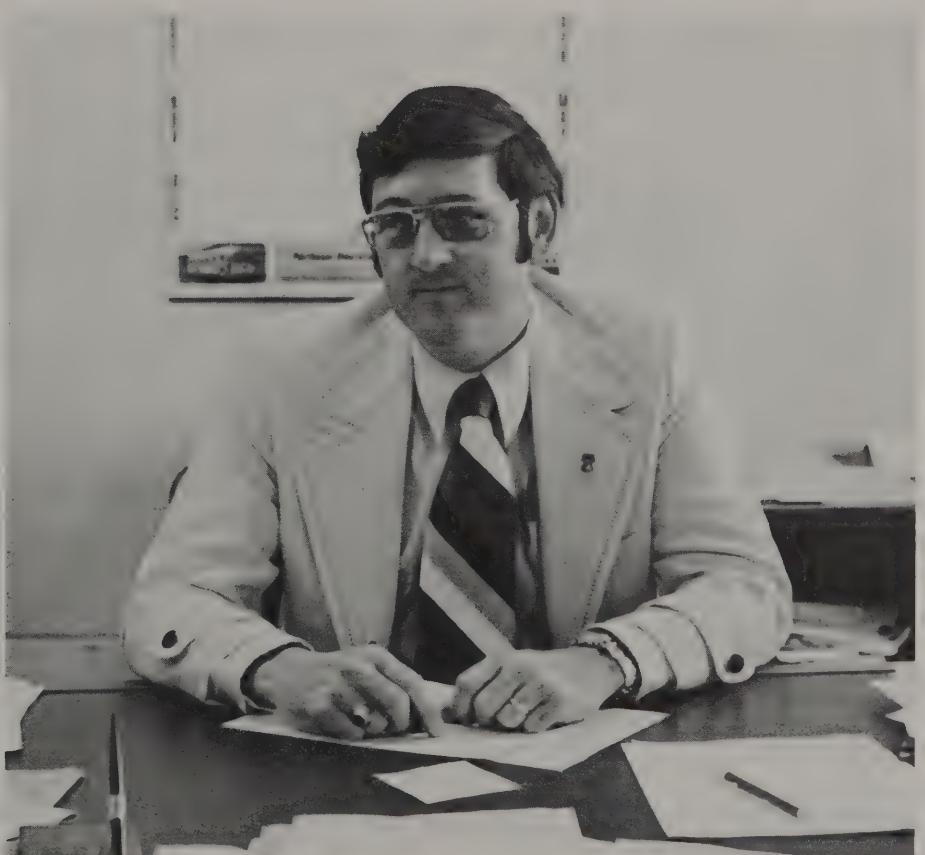

Mr. Baum pauses from his busy day for us.

Miss Stull flashes us her beautiful smile.

We caught Mrs. Soinger out in the halls.

Dr. Cowger doesn't seem to appreciate our interruption.

The Head of Maintenance Mr. Louk heads toward the boiler room.

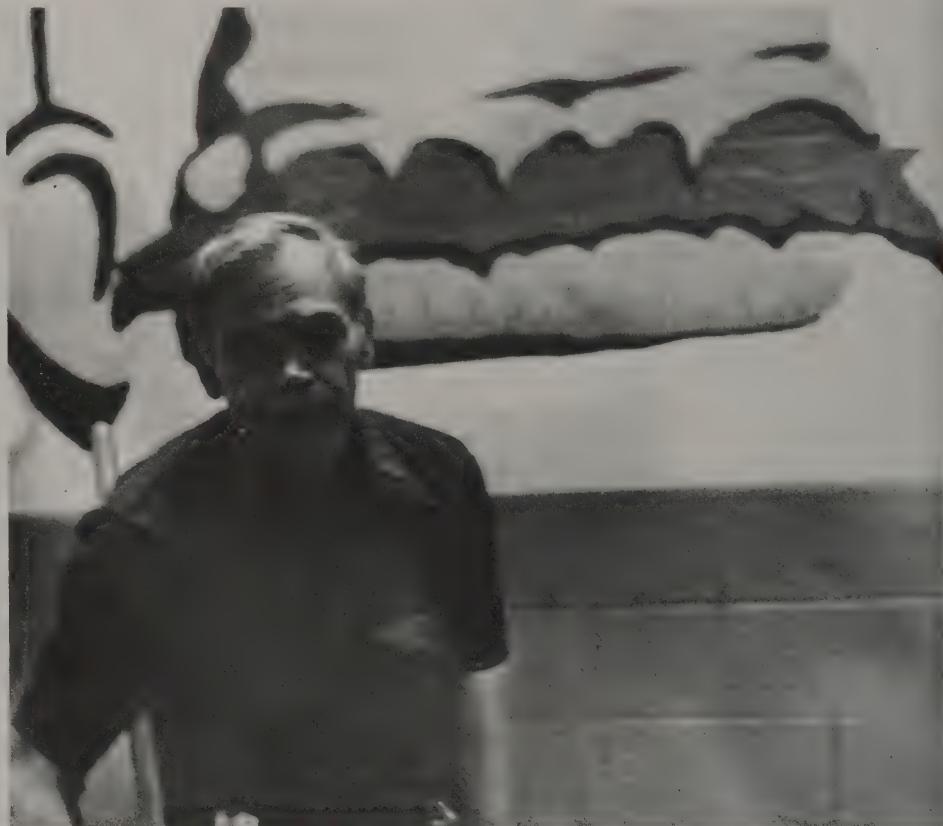

"Mom" gets a present in return for all her hard work.

## CUSTODIANS

The maintenance crew of Highland High does not get much credit and they do a lot of work. They are here before any student or faculty arrives and often stay long after everyone departs. Their work is appreciated by all even though it is not always mentioned.

Due to the fact that we had no cafeteria, we do not have any cooks pictures. In speaking to several of them, they are all looking forward to the opening of the new facilities.

Mr. Swain doesn't always look this tired.

Could this be our new gym?

Since when do they allow cars in the hall?

Dr. Cowger and Mr. Baum take their daily walk through the construction area.

# THE 1979 HIGHLANDER STAFF

We never expected the year to turn out quite the way it did. The people on the staff have helped more than ever before. They were all so eager to help, and put forward their best efforts. We have both learned a lot about what it is like to hold responsibilities, work hard, meet deadlines and get along with people. We hope everyone will enjoy this year's annual, as much as we've enjoyed putting it together.
